Set up AusDI access on mobile devices

The Library has a subscription to AusDI.

The link works from desktops but mobile access needs to be set up.

   Use at work or offsite – login with usual network credential.

2. Click on the link at top right of the screen ‘Login to personalise’

3. Click on the Institutional User Register link (bottom right).
4. Register and select your institution as ‘South Metropolitan Health Service’

5. Wait for an email to come to the address you used to register and click on the link in it to ‘Activate My Registration’.

6. On your mobile device, go to https://ausdi.hcn.com.au/ and login with the credentials you have set up.

Re-authentication will be required every 12 months.
